

Garfnet has become a huge site with many component parts. Here are some of the more useful bits, complete with nice, short URL's you can bookmark, scribble down on a *stick-it* note or (heaven forbid) *memorise* !

- All things Linux:- <http://www.garfnet.org.uk/linux>
 - Depth of field (DoF) calculator:- <http://www.garfnet.org.uk/dof>
 - Earthquake info:- <http://www.garfnet.org.uk/earthquake>
 - International weather from 3000 METAR stations around th planet:- <http://www.garfnet.org.uk/weather>
 - Internet radio tuner - connecting you to the best radio stations in the UK, Europe and around the globe:- <http://www.garfnet.org.uk/tuner>
 - Mr.Goose's Blog:- <http://www.garfnet.org.uk/mrgoose>
 - Pictures & media gallery:- <http://www.garfnet.org.uk/media>
 - Radio frequencies, reviews & information:- <http://www.garfnet.org.uk/radio>
 - Reference tables, battery equivalents etc.:- <http://www.garfnet.org.uk/tables>
 - Universal units converter:- <http://www.garfnet.org.uk/converter>
-
- Technology articles:- <http://www.garfnet.org.uk/technical>
 - General articles:- <http://www.garfnet.org.uk/general>

Hot Spots

Written by Garfield Lucas - Last Updated Friday, 25 December 2009 14:03

(Dedicated to Rosemary - so you can find the interesting stuff a bit more easily!) 🍷
